1. All teams MUST register a new roster for the 2010 National Season, along with new commitment forms for each rider.
2. Eligibility Rules: Riders who are not on a current season's NBL National team roster are eligible to be added to a team seven days prior to the race in which the team intends to compete. If a rider on a current roster decides to change teams, decides to leave a team, or is dropped by his/her current team, then he/she may be added to another roster. However, he may not be used for 45 days from the day the rider's notice of leave is received in the NBL office. 3. FREEZE DATE: June 15, 2010, midnight Eastern Time. NO riders or teams may be added after this date. **Revised date: 08/18/09**
